

# AS CHRISTIANS, WE STAND WITH REFUGEES.

**“I WAS A STRANGER AND YOU WELCOMED ME”**

As Christians, we are called love refugees and people seeking asylum as our neighbours, and to welcome, protect, promote and integrate them. Yet increasingly, refugees are under attack. Anti-refugee laws mean people face more and more difficulty getting the protection they badly need and are subjected to huge hostility and cut off from our communities. **We want this to change.**
